Any other comments:

I have found the course very interesting and have certainly gained new skills

I found the tutor to be very good at explaining things I didn't understand. I really hope you offer GCSE in the future

I have really enjoyed my time on this course and my tutor has been very helpful and encouraging

I found this course very helpful because the tutor that taught us was very helpful. He explained everything to us and I thank him very much

I really was very blessed by this course. I enjoyed the class and thought out teacher was very good. Overall I feel encouraged to continue with further educational courses at this centre. Very blessed by having childcare facilities on-site. Gold Star 

I would recommend to a friend. The tutor was excellent to work with and they are excellent to help you.

I have worked very hard throughout the whole year to achieve my Level 1 in my written exam and also my Level 1 portfolio. Next year in September I have to achieve my Level 2.

I enjoyed my course with all my pupils and my tutor Michael throughout the year
